

I'm filing this petition in support of K-LOVE, a regional Broadcaster. K-LOVE programing in my community contributes to the positive social climate of the community. The inspirational programing is uplifting and encouraging, especially in this day and age of cynicism and decadence.

My community could be adversely impacted should K-LOVE be displaced by an LPFM broadcaster. The high quality of K-LOVE broadcasting has proven benefits that could be lost if an LPFM broadcaster is allowed to displace K-LOVE. K-LOVE has greater broadcast coverage than an LPFM broadcaster and is therefore more efficient in reaching a greater range of individuals.

The continuation of K-LOVE broadcasting in my community is in the best interest of the public because of K-LOVE's sound, insiprational and wholesome programing.
